JOHNNY DC SAYS: LET THE MAIL BEGIN!

DRAWING BY SHELBY BARTLEY, FROM KENTUCKY

Dear Bubbles,

You rock. I truly love your comics. They rule. My favorite one is the Powerpuff Girls and the Library. It has great pictures. It looks like our library.

Brianna Duncan, age 8
Pittsboro, Indiana

DRAWING BY BRIANNA DUNCAN

Dear Buttercup,

You are cool. I wish I was you.

Mathilde Provencher, Age 6
Oakland, California

That's funny! Just the other day, Buttercup was saying she wished she were a young artist with a cool name who lives in California!
— Johnny DC

DRAWING BY MATHILDE PROVENCHER

Dear Johnny DC,

My favorite PPG is Bubbles, but I decided to design a mixture of all three. I don't know a name for her, but I hope the girls can help. Please make her name start with 'B.' She's cheery like Bubbles, smart like Blossom, and fighting-fit like Buttercup. She can, for super-breath, blow out very useful crystals. For example, for dessert, she can blow out four crystal candies with five teaspoons of sugar, two teaspoons of pectin. Depending on the season, the flavor could be chocolate, honey, lemon, or apple.

Mary Jensen
Kent Road, Ohio

Hmm...name that starts with a "B"...name that starts with a "B"... How about Bumbershoot? (I'm running out of good names.)
— Johnny DC

DRAWING BY MARY JENSEN

Dear Johnny DC,

I have a Powerpuff Girl; her name is Rainbow. She can knock out bad guys with her dress and can stay underwater for 24 hours.

Ivy Goggans
Marietta, Georgia

Starting a PPG name with the letter "R"! Why didn't I think of that??
— Johnny DC

DRAWING BY IVY GOGGANS

Dear Johnny DC,

I had a lot of fun reading CARTOON NETWORK BLOCK PARTY #36. I was glad Bloo did not decide to get a tattoo in the "Tat-Bloo" story. Shoe polish and a rusty nail are ways to get an infection. Biker friend was giving bad advice.

I am really starting to like the GRIM ADVENTURES OF BILLY & MANDY. I never would have expected a paranoid Grim, but the future did look scary. Billy and Mandy are going to keep the Reaper busy for a long time oiling items.

I was happy to see Phil Moy was the artist for the new POWERPUFF GIRLS story. I had no idea Bubbles had such bad-hair mornings. I also did not know she was a vegetarian. Professor Utonium did a great job in the role of "mother." Townsville has a fourth superhero in the kids' house. The Professor should get an award from the Mayor for taking care of Blossom, Bubbles, and Buttercup.
